The Irish language has many nouns which are made from poetic expressions. Some examples:

Bóin Dé – Ladybird (Little Cow of God)	Madra Rua – Fox (Red dog)
Smugairle Róin – Jellyfish (Seal Snot!!!)	Póigíní Gréine – Freckles (Sun kisses)
Gráinneog thrá _ Sea Urchin (Beach Hedgehog)	Bealach na bó finne – The milky way (Way of the white cows)
Mac Tíre –Wolf (Son of the land)	Banaltra na cuaiche – Meadow pipit (The cuckoo’s nursemaid)

Choose a noun. It may be from the list or another poetic Irish noun of your choice.

Illustrate it in any medium, or mixed media (**Aon mheán nó meáin mheasctha**). For example (**mar shampla**) painting, sketch, quilt, cross-stitch, embroidery, mosaic, collage, cake icing, sculpture, model etc (**agus araile**).

You may choose the **meaning**, or the **literal meaning**, or even **both**.

For example for Bóin Dé (ladybird) you may create a ladybird or God’s Little Cow, or both.

The Irish word must be included in the illustration. (Caithfidh an focal a bheith mar chuid den léaráid)
